**CITY COUNCIL MEETING OF: DECEMBER 19, 2007**

Minutes:

SCOTT ADAMS, Director of the Office of Business Development, explained that TAP Property Holdings' underlying interest is Access Medical out of North Carolina and is proposing a mixed-use development on Parcel J of Union Park, which he referenced on a parcel site map, and then described the project as indicated under the Purpose/Background section. The additional time is being requested in order to focus on due diligence, site planning and financial commitments. The ENA includes very detailed scheduled items that must be met. The extension is worth committing to, and staff recommended approval.

STEPHANIE WILSON, Principal, and WILLIAM T. SMITH, Principal, were present. MS. WILSON advised the Council that she felt confident with the progress and asked for approval of the extension.

MAYOR GOODMAN felt very comfortable with the way in which the Office of Business Development handled the extension, because it includes specific benchmarks and deadlines that would be monitored by Newland Communities and staff. This is a wonderful project for Union Park.

COUNCILMEN ROSS and BARLOW said this is a real-deal, quality and class project. COUNCILMAN BARLOW added that the extension is warranted.
